

INNER CITY ALUMNI NETWORK

Membership Benefits

The Inner City Alumni Network (ICAN), comprised of successful inner city companies and their CEOs from around the country, empowers and serves ICIC alumni by providing them ongoing learning and professional development, visibility and recognition, and a network through which they may explore collaboration and contracting opportunities. ICAN provides a foundation of support for current and future inner city companies that participate in ICIC programs, helping to drive economic prosperity in America's urban core.

All alumni of ICIC programs will receive the following benefits:

KNOWLEDGE

- E-mail subscription to quarterly ICAN newsletter featuring tailored and relevant content
- Access to ICIC's groundbreaking and innovative research reports
- Invitations to participate in ICIC webinars
